ST. THOMAS AQUINAS SCHOOL ADVISORY BOARD

May 2009

Cool...in so many ways!

St. Thomas Aquinas Church has acquired **PATTERDALE PINES CAMP** in beautiful Prescott, AZ The camp will be used for numerous events including retreats, camps, meetings and much more. Patterdale Pines needs a little "TLC" and our parish community will be perfect for the job.

This is a parish-wide service opportunity. An initial organizational meeting was held on Tuesday, May 12th. If you weren't able to make it, don't worry about not having the opportunity to participate! This project will need a lot of people and we hope as many school families as possible will help out. We will certainly need many talented and skilled people as well as extra hands for numerous jobs.

The project will be a year long project so please stay tuned for more information. This is a great opportunity for next year's service hours.

Contact Cynthia Scheller with any questions.

Thank you for all the support for the first **Night of Hope** dinner last November 2008. The evening raised over \$78,000 for the Catholic School Endowment Fund for tuition assistance across the diocese.

Mark your calendars for the **2009 Night of Hope** dinner on Saturday, October 24, 2009 at the new downtown Sheraton.

It's never too early...
